Checklist for our customers

The German tax authorities demanded now for exports to EU member states the following documents and information:

1. First Complete and accurate company address, telephone number, fax number, Email address, Website and branch of industry.
2. European VAT identification number
3. Commercial register, commercial or other official company proof (for example, through the Chamber of Commerce) as copy.
4. Passport copy of the owner or manager
5. Signed authorization with the company stamp if he does not personally carry out the vehicle.
6. If no documents are left to us, revealing the business property and the right to represent clearly, we charge a deposit equal to the VAT incurred in Germany.
7. The deposit is refunded once we received the above mentioned documents
